FILING A TECHNICAL CORRECTION

The **Request for a Technical Correction** is now submitted to the AAA for review and the action is recorded in the Timeline View.

Notification of the technical correction request will be sent to the other party advising them of the request filing.

A Review Technical Correction task is also triggered for the other party, providing them with an opportunity to respond to the technical correction request.

The screenshot displays the AAA Case Management System interface for case "Training Medical P.C. / Enfor Wav vs. Testing Insurance Company". The interface includes a navigation bar with "Dashboard", "Tasks", and "Calendar" tabs, and a search bar for "AAA Case Number".
